The Seaduced Experience:

Once on board, enjoy a refreshing cocktail and discuss your preferred itinerary for the day or evening. From swimming with turtles, to snorkelling reefs and wrecks to finding quiet bays to relax. We will plan as per your preferences! **For the best SEADUCED catamaran day, we recommend taking it a bit leisurely - turtle swim, leisurely sail/cruise to find that idyllic bay for swimming, water sports and lunch! The ultimate indulgence over a 5-hour charter! However, the choice is yours, and the captain will guide you!**

Are you celebrating a special occasion? Let us know, and we can discuss options to make it as special as possible.
